pandarath(H),thrikoor(po),palliyara,thrisuur,kerala | 9605872032 | dhanushpvenkitesh@gmail.com

I have achieved a Bachelor's degree in Computer Applications (BCA). I am currently completing a traineeship program where I specialize in full-stack development, particularly within the MERN stack framework. I am passionate about furthering my career, and that's why I push myself to expand my technical capacity continuously. I aim to begin my career by working for a reputable IT Company that aligns with my career goals and promotes my personal and professional growth.
